Host Country Procurement and Competitive Pricing

We have nurtured strong business relationships with an extensive vendor base to ensure we always receive preferential treatment on terms and conditions, which we pass on to the customer. Our solid financial base with lines of credit allows us to purchase items, pay our vendors, and make the best deals for our customers.

This distribution system infrastructure, combined with our customer service process, personnel, our contingency readiness, and surge sustainment plans, have enabled us to provide **"BEST VALUE"** to our clients throughout the region.

Additionally, we have formed strategic alliances with several companies such as Gulf Catering Company, the leading food and facilities management Services Company in the Gulf. These alliances allow us to take advantage of local resources while offering the **"BEST VALUE"** to our customers.

Warehousing and Storage Facilities for all Locations

To support Base Camp operations and maintenance in Middle East and North-East Africa, Bin Qutab Worldwide FZC and our strategic allies have 19 warehouses, totalling 610,000 m², in Dubai, Kuwait, Iraq, Afghanistan and Djibouti. In addition, our experience for the Subsistence contract guarantees our ability to quickly implement our existing warehouse-based distribution plan for procuring and storing 45-day inventories of catalogued products as per request and demand.
